5 Solid M&A Track-Record...

intelbras

Intelbras was able to pursue M&A in many occasions throughout its history and was able to unlock sizeable value from each move

M&A

- ✓ Increase portfolio
- ✓ Access to new Technology expertise
- ✓ Business Synergies

Key Accounts & Retail

- ✓ Innovative DIY and Smart Homes offering highly appealing to retail consumers
- ✓ Specific value-adding solutions for key accounts

intelbras

IoT and SaaS & HaaS Models

- ✓ Equipment provided at no charge
- ✓ Scalable business model with differentiated pricing
- ✓ Potential to be implemented in all business segments

Increase Share in Access Control and Solar Energy

- ✓ Consolidation opportunity in Access Control
- ✓ Solar energy market still unexplored

Clear roadmap for the future with both priced and unpriced growth avenues mapped

Unlimited Growth Opportunities in Several Fronts (cont.) **intelbras**
